

Application to transfer all or part of an Environmental Authority

2023/24 Financial Year

Environmental Protection Act 1994

This form is used to apply to transfer all or part of an environmental authority.

Only use this form if you want to:

- Transfer the entire environmental authority to a new holder or holders (e.g. through the sale of a business)
- Transfer part of the environmental authority to a new holder or holders (e.g. transfer the responsibility for a particular environmentally relevant activity (ERA) contained within the environmental authority). This may also include adding a new joint holder to the environmental authority
- Remove a joint holder from the environmental authority

NOTE: Only the holder of an environmental authority can apply to transfer the environmental authority.

Guide on how to fill out this form

The environmental authority number will be found on the existing environmental authority certificate.

Section 1: Applicant details

Environmental authority number: ES/

Environmental authority holder/s' names:

Trading name:

ABN/ACN:

Registered business address:

Postal address:

Contact person's name:

PRIVACY COLLECTION NOTICE: Council is collecting your personal information to be able to provide services and information in accordance with the *Environmental Protection Act 1994*. It may be used to update records, contact you about Council business, including by mail, email or SMS and can only be accessed by Councillors, Employees and Authorised Contractors. To unsubscribe or opt out of electronic correspondence, please email your request to council@logan.qld.gov.au. All information is handled in accordance with Council's Privacy Policy and Procedure Visit: <https://www.logan.qld.gov.au/information-and-privacy/privacy>.

Phone number:

Mobile number:

Email address:

IMPORTANT: By providing your email you are agreeing to receive all correspondence electronically including licensing renewal information, letters, inspection reports, legal notices and other licensing related information.

If the transfer application involves both the transfer of the environmental authority to a new holder as well as the removal of an existing holder, applicants must complete all questions in this application form.

Section 2: Type of Transfer Required

Please tick where applicable

- The environmental authority is to be transferred in full to a new holder. Once the transfer is complete, the existing holders will no longer be holders of the environmental authority. **Go to section 3**
- A new joint holder is to be added to the environmental authority. The existing holder will become a joint holder for all ERAs contained within the environmental authority. **Go to section 3**
- Only a part of the environmental authority is to be transferred. For example, if multiple prescribed ERAs are on an environmental authority and one of the ERAs is to be transferred to a new holder. **Go to section 3**
- The environmental authority has joint holders and this application is only to remove one or more of the current joint holders. No new holders are proposed to be added. **Go to section 7**

These are the details of the proposed new holder who will be added to the environmental authority.

Section 3: Details of New Holder (the 'transferee')

Individual or company name:

Individual's full name or company name – business name or trust not accepted as applicant

If applying as a company, attach current company extract from the Australian Securities & Investment Commission (ASIC)

Trading Name:

ABN/ACN:

Registered business address:

Postal address:

Contact person's name:

Phone number:

Mobile number:

Email address:

IMPORTANT: By providing your email you are agreeing to receive all correspondence electronically including licensing renewal information, letters, inspection reports, legal notices and other licensing related information.

An environmental authority cannot be issued unless you are registered as a suitable operator with Department of Environment & Science (DES). If you are not registered lodge an application with DES.

Section 4: Registered Suitable Operator

For the new holder (the transferee) in section 3, please tick the box that applies and provide any further requested detail.

- I am a registered suitable operator. Registration no:
- I have lodged an application to be registered with DES and am waiting for it to be decided.
- I am not a registered suitable operator and I have not lodged an application to be registered.

You can apply to be registered as a suitable operator online through www.des.qld.gov.au/onlineservices, alternatively email palm@des.qld.gov.au, or phone 1300 130 372 and request form *ESR/2015/1771*.

Provide details of which components of the environmental authority will continue to be held by the current holders of the environmental authority and which components will be held by the proposed transferee/s. e.g. If multiple ERAs are held and only some are being transferred.

Section 5: Is this application for a partial transfer of the environmental authority?

- No → The environmental authority is being transferred in full to the transferee in section 3. **Go to section 7**
- Yes → Describe the transfer:

Provide supporting information. If more space is required, attach additional information as a separate page.

Section 6: Will the proposed transferee operate the environmental authority as part of an existing environmental authority?

No → **Go to section 7**

Yes → Provide the existing environmental authority number held by the transferee below. Attach supporting information that demonstrates the activities approved under the existing environmental authority and the transferred environmental authority can be operated as a single operation.

Existing environmental authority number:

Supporting information

<input type="checkbox"/>	Evidence that the activities will be carried out under the day-to-day management of a single responsible individual e.g. a site manager or operations manager.
<input type="checkbox"/>	Evidence that the activities are operationally interrelated.
<input type="checkbox"/>	If the activities are, or will be, carried out at more than one (1) place, provide evidence that the places are separated by distances short enough to make the day-to-day management of the activities feasible.

If this transfer application is being made to remove any joint holders from the environmental authority, list the details.

Section 7: List any current holder(s) to be removed from the environmental authority

Individual or business name (include Trading Name if relevant)	ABN/ACN
