

FORM: PS1 – Property Information (Residential - 2024/25)

Use this form to undertake a residential property, building and plumbing or planning and development search. To learn more visit [Buying a residential property](#) on Council's website. Please note that the search timeframes (listed on this form) start when the application has been received, correct payment has been made and the authorising documents have been provided. Search timeframes may be longer during the Christmas/New Year period (days between 26 December and 1 January are not included as business days).

Section 5: Lodgement and payment

The application may be lodged and paid via any of the methods listed below. Please use the checkboxes to indicate the method selected for this application, noting that credit card details must not be provided either via email or post.

- Online (electronically)** via [Online Services](#) (please sign-in or register via the menu). For online lodgement, please do not complete this form. You will be prompted for the relevant details online. Payment is required as part of the online transaction, using a credit card.
- Via **email** to Council@logan.qld.gov.au. A Council officer will phone you for your payment via credit card. Please do not include credit card details on this form or in the email.
- By **post** to:

Chief Executive Officer - Logan City Council
PO Box 3226, Logan City DC QLD 4114

Payment can be made via:

- Cheque Money order Credit card (a Council officer will phone for payment details)
- In **person** at one of our Customer Service Centres, Monday to Friday (excluding public holidays). Payment can be made via cash, cheque, money order or EFTPOS:

Logan Central	150 Wembley Road, Logan Central	open 8am to 5pm
Beenleigh	105 George Street, Beenleigh	open 8am to 4.45pm
Jimboomba	18-22 Honora Street, Jimboomba	open 8am to 4.45pm

From 1 October 2022, a merchant surcharge fee of 0.34% will apply to all online and phone credit card payments.

Section 6: Description of Services

No	Category	Explanation of service
1	Property Search	<p>This search provides information about:</p> <ul style="list-style-type: none"> • Ownership, real property description, area, unimproved capital value and rateable value • Amount of rates and water charges levied, arrears, interest and discounts. • Zoning, building envelopes and overlays (including flooding) applying to the property. • Resumptions, realignments and conditions on property. • A special water meter reading if applicable
2	Water Meter Reading	Information about unbilled water consumption at a property.
3	Trade Waste	Search details of the amount of trade waste charges to be levied and arrears held in the trade waste system. Note: 'trade waste' means water-borne waste from business, trade or manufacturing premises, other than waste that is a prohibited substance, human waste or stormwater.
4	Limited Planning and Development Certificate	A certificate issued pursuant to the <i>Planning Act 2016</i> . It contains basic planning information, including zoning, overlays, variation approvals, TLPs, designations and infrastructure charges.
5	Standard Planning and Development Certificate	A certificate issued pursuant to the <i>Planning Act 2016</i> . It contains all the information contained within a limited certificate, as well as detailed planning information such as relevant approvals in force, infrastructure charges and details of judgment or order of the Planning and Environment Court about the development approval.

No	Category	Explanation of service
6	Full Planning and Development Certificate	A certificate issued pursuant to the <i>Planning Act 2016</i> . It contains all the information contained within a limited and standard certificate, as well as a statement about the fulfilment or non-fulfilment of each condition of a development approval, compliance permit or master plan currently in force, infrastructure agreements and particular court proceedings affecting the premises. Please note that Council may require access to the property for this service.
7	Building Envelope	This service provides a copy of a building envelope applicable to the property.
8	Building and Plumbing Approvals Report	This report provides details from Council's records about building approvals and plumbing and drainage approvals which have been issued in relation to the property. Please note this report is not accompanied by copies of any plans.
9	Building and Plumbing Inspection Report	This report provides details from Council's records about building approvals and plumbing and drainage approvals, as well as a statement on the compliance with these approvals. Council's compliance officers can undertake a full audit inspection and provide detail of compliance of Plumbing and Building components on site.
10	Copy of Certificate of Occupancy (formerly Certificate of Classification)	Certificates of Classification apply to commercial buildings or multiple dwelling building approvals approved after 1 April 1976. This search will determine if a Certificate of Classification has been issued and if so, a copy will be provided.
11	Copy of Approved Building Plans	This service provides a copy of a building plan approval in association with a building approval. If no approval is specified against search #11, the plans for the dwelling approval (or other relevant approval) will be provided.
12	Residential Building Approval	This package includes a report which provides details from Council's records about building approvals and plumbing and drainage approvals which have been issued in relation to the

No	Category	Explanation of service
	Package (Classes 1 and 10)	property. All Building Approval documents will be provided dependent on availability / existence in Councils archival systems: e.g. Application Form, Decision notice, Approved plans; Building Approval Report; supporting documentation such as Site Plans; Design documents; Soil Report, Form 15, Waterproofing certificates etc. If available, a copy of the Plumbing & Drainage As Constructed Plans will also be attached.
13	Copy of Specific Building Approval Document	This service provides a copy of a specific document associated with a building approval (for example, final inspection certificate, soil and engineers report, pest treatment certificate or other related documents), other than Building Plans and As Constructed Sanitary Drainage Plans.
14	Copy of As Constructed Sanitary Drainage Plans	This service provides copy of residential plumbing and drainage plans, being 'as constructed' plans for sanitary drainage and connecting sewer infrastructure for the property and, if available, the roof water as-constructed plan. Please be aware that Council has no plans issued prior to 1995 from the former Beaudesert Shire Council area of Logan City. See Plumbing and Drainage on Council's website.
15	Flood Search	This service provides information on whether a property is flood affected, the flood level applicable to that property and the relevant legislation. See Logan PD Hub on Council's website.
16	Release of Flood or Stormwater Study Report	This service provides a digital copy of a flood or stormwater study report
17	Digital Flood Grid	This service provides an editable GIS or equivalent flood grid (site specific 1km x 1km tile). For larger area, price on enquiry.
18	Hydraulic Modelling Files (Small Model)	This service is for the supply of a hydraulic model (small) for use in the planning and design of infrastructure or development within the floodplain. A Data Agreement is required to be signed for use of these files.

No	Category	Explanation of service
19	Hydraulic Modelling Files (Large Model)	This service is for the supply of a hydraulic model (large) for use in the planning and design of infrastructure or development within the floodplain. A Data Agreement is required to be signed for use of these files.
20	Hydraulic Modelling Files	This service is for the supply of a hydrologic model for use in the planning and design of infrastructure or development within the floodplain. A Data Agreement is required to be signed for use of these files.

Note: The information requested by you will be extracted from Council's records in response to your request. Council's records do not necessarily reflect the actual state of the property or matters relating to the property or the degree of compliance with relevant requirements. Persons making decisions with financial or legal implications will not be able to rely upon the information supplied for the purpose of determining whether any particular facts or circumstances exist and Council expressly disclaims any invitation to place such reliance on the information. Persons must obtain their own professional advice on these matters. Council (and its officers and agents) contract to supply information only on this basis. Further information on the limits of the information supplied will be included in the information supplied.
