File no: 128839-1
Minute number: 148/2017

Policy title: WATER AND WASTEWATER CONNECTION OUTSIDE CITY BOUNDARY

Directorate: OFFICE OF THE CEO

Branch: WATER SERVICE DELIVERY

Policy objective: To provide water supply and wastewater services to properties outside of the Logan City Council's boundaries.

Policy scope:

This policy will apply to properties that are outside of the Logan City Council's boundary and will not be supplied with either a water supply or a wastewater service by the property's governing local authority.

Definitions:

Not applicable.

Policy statement:

The following procedure is to be undertaken for this policy:

The Council will consider provision of reticulated water to, and acceptance of wastewater from, developments external to the Logan area in circumstances where it can be established that the servicing of such development will not impose any detriment upon the local authority in relation to financial or infrastructure considerations. The existence of such circumstances will be determined by the Council in each individual case upon the merits of the particular proposal.
