School water saver ideas

School water saver match-it game, to compliment the water conservation action plan.
For the match-it game, cut out the images and text and place all items on a table or the floor.
The students have to match one picture with one slogan.

Drips add up

Turn me off

Add soap
and
turn off tap

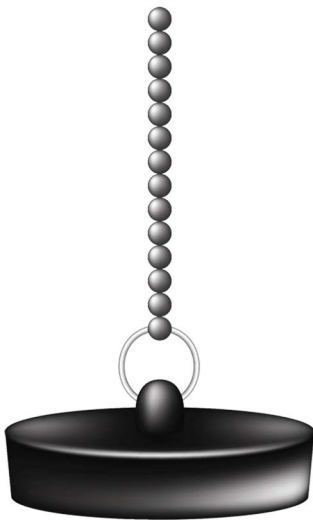

Remember,
I'm just
for
drinking

Don't forget
to
mulch me

Remember to
use the half
flush button

Pop me in
and save
water
