1. Policy Purpose

The purpose of this policy is to establish a framework for the approval and validation of rates concessions.

2. Scope

Part 10 of the Local Government Regulation 2012 (the LGR) allows a local government to grant a ratepayer a concession for rates and charges for land. This policy provides the circumstances under which Logan City Council will provide rates concessions. This policy is to be read in conjunction with Council's General Rates and Separate Charges Exemptions policy, General Rate and Waste Charges Concessions to Pensioners policy, Recovery of Rates and Other Rates Related Charges from Customers Experiencing Financial Hardship policy, and associated administrative procedures.

This policy applies to all councillors, employees and contractors working for Council regardless of whether they are permanent, temporary, full-time, part-time or casual. For the purposes of this policy, the term contractor includes on-hired temporary labour services (agency staff) and sub-contractors.

3. Policy Statement

This policy will seek to ensure that rates concessions are provided on properties that meet the criteria for concession provided in the LGR and as specified in this policy and associated procedure, and that concession decisions are consistent, fair and equitable.

Concessions under this policy must meet the eligibility criteria and specific requirements outlined in the Exemptions and Concessions from General Rates and Separate Charges Administrative Procedure (DM #11243498).
