Logan City Council

Subordinate Local Law No. 9.10

(Accommodation Premises) 1999

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 9.10 (Accommodation Premises) 1999*.

2 Authorising local law

This subordinate local law is made pursuant to *Local Law No. 9 (Licensing) 1999*.

3 Object

The object of this subordinate local law is to assist in the implementation of *Local Law No. 9 (Licensing) 1999* by ensuring that the operation of accommodation premises—

- (a) complies with adequate standards of hygiene, sanitation and safety; and
- (b) does not give rise to a risk of spread of communicable diseases among people living in the accommodation premises.

4 Definitions—the dictionary

The dictionary in Schedule 2 (Dictionary) of this subordinate local law defines particular words used in this subordinate local law.

Part 2 Licensing

5 Exemption criteria

For the purposes of section 5(4) (Requirement for a licence) of *Local Law No. 9 (Licensing) 1999*, an accommodation premises that is an exempt accommodation premises cannot be carried out unless the following exemption criteria are complied with—

- (a) The exempt accommodation premises is located within the premises and does not extend onto a footpath or a road reserve.
- (b) The exempt accommodation premises is located on premises with a minimum size of 601m².

- (c) The operation of the exempt accommodation premises must not detrimentally affect the amenity of neighbouring premises.
- (d) The operation of the exempt accommodation premises including all premises, buildings, structures, vehicles, facilities or equipment must be maintained at all times—
 - (i) in a good working order; and
 - (ii) in a good state of repair; and
 - (iii) in a clean and sanitary condition.
- (e) The operation of the exempt accommodation premises must not constitute a nuisance under *Local Law No. 10 (Public Health) 1999*.
- (f) Only one caravan is placed on the premises as part of the operation of the exempt accommodation premises.
- (g) Water intended for use for domestic purposes as part of the operation of the exempt accommodation premises must be from an approved water source.
- (h) The water to be used in the operation of the exempt accommodation premises must be of an appropriate quality to be used for that purpose.
- (i) An adequate and continuous supply of water must be maintained to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the operation of the exempt accommodation premises.
- (j) An adequate and continuous supply of hot water must be maintained to all bathroom, kitchen and laundry facilities that form part of the operation of the exempt accommodation premises.
- (k) The water supply for drinking purposes must be potable water.
- (l) Adequate water and electricity must be provided as part of the operation of the exempt accommodation premises.
- (m) Waste containers sufficient to accommodate the collection and storage of all waste generated as part of the operation of the exempt accommodation premises must be provided.
- (n) Waste containers that are provided as part of the operation of the exempt accommodation premises must be designed and constructed to prevent access to pests and to be easily and effectively cleaned and disinfected.
- (o) All waste (including waste water) generated as part of the operation of the exempt accommodation premises must be disposed of in a safe and

sanitary manner and in accordance with the *Environmental Protection Act 1994* and the *Plumbing and Drainage Act 2002*.

- (p) All waste generated as part of the operation of the exempt accommodation premises must be disposed of in a manner which maintains the operation of the exempt accommodation premises and its surrounds in a clean, tidy, sanitary and hygienic condition.
- (q) All waste water generated during or from the operation of the exempt accommodation premises must be discharged safely to the sewerage system or an on-site sewerage facility.
- (r) Human wastes from the operation of the exempt accommodation premises must be disposed of at a dedicated sanitary facility, the sewerage system or an on-site sewerage facility.
- (s) Waste from the operation of the exempt accommodation premises must not be disposed of into the stormwater system, waters or a watercourse.
- (t) Adequate space must be provided for each person occupying the exempt accommodation premises.

6 Requirement for a licence

For the purposes of section 5(3) (Requirement for a licence) of *Local Law No. 9 (Licensing) 1999*, a licence is not required under *Local Law No. 9 (Licensing) 1999* for the operation of an accommodation premises that is an exempt accommodation premises.

7 Application for a licence

For the purposes of section 6(1)(c)(iv) (Application for a licence) of *Local Law No. 9 (Licensing) 1999*, an application for a licence for the operation of accommodation premises must (unless otherwise required by the local government) be accompanied by—

- (a) the street address, real property description and details of the owner at which the operation of accommodation premises will be undertaken; and
- (b) the name, street address, telephone number, facsimile number and email address of the person to be operating the accommodation premises; and
- (c) the name, street address, telephone number, facsimile number and email address of the person to be managing the accommodation premises; and
- (d) the trading name, street address, telephone number, facsimile number, email address, registered business name and Australian Company Name of the business under which the operation of accommodation premises will be undertaken; and

- (e) details of the operation of accommodation premises including—
 - (i) the management of wastes and waste water including the collection and disposal of waste and waste water; and
 - (ii) the storage of all hazardous materials; and
 - (iii) fire evacuation procedures; and
- (f) a plan to scale and specifications of the operation of the accommodation premises including—
 - (i) a site plan; and
 - (ii) a floor plan; and
 - (iii) the means of access to and egress from the accommodation premises; and
 - (iv) the location and area of all accessways; and
 - (v) the method of lighting and ventilation; and
 - (vi) the location of sanitary facilities and their type; and
 - (vii) the location, type and specification of fire fighting installations; and
 - (viii) the proposed use of each room and the maximum number of persons to be accommodated in each bedroom; and
 - (ix) the facilities that are to be shared by persons for whom accommodation is provided; and
 - (x) the source of water supply to the accommodation premises; and
 - (xi) the location and type of on-site sewerage facilities; and
- (g) a current certificate of compliance issued by the Queensland Fire and Rescue Service and an electrical safety certificate of compliance; and
- (h) details of the proposed inspection, monitoring and management programs.

8 Deciding application for a licence

For the purposes of Schedule 2 (Dictionary) and section 7(2)(f) (Deciding application for a licence) of *Local Law No. 9 (Licensing) 1999*, the local government must grant a licence for the operation of accommodation premises if satisfied that the operation of accommodation premises complies with the

following assessment criteria—

- (a) The operation of the accommodation premises can be lawfully conducted on the premises.
- (b) The matters which are the subject of the conditions specified in section 9 (Conditions of a licence) of this subordinate local law which are relevant to the operation of the accommodation premises can be adequately addressed by the imposition of those conditions.

9 Conditions of a licence

For the purposes of section 9(3) (Conditions of a licence) of *Local Law No. 9 (Licensing) 1999*, the local government may impose all or any of the following conditions on a licence for the operation of accommodation premises¹—

- (a) The operation of the accommodation premises must not detrimentally affect the amenity of neighbouring premises.
- (b) The hours of operation of the accommodation premises must not detrimentally affect the amenity of neighbouring premises.
- (c) The operation of the accommodation premises including all premises, buildings, structures, vehicles, facilities or equipment must be maintained at all times—
 - (i) in a good working order; and
 - (ii) in a good state of repair; and
 - (iii) in a clean and sanitary condition.
- (d) A person must not sleep or camp in a place that is part of the operation of an accommodation premises if that place is not nominated for that purpose in the licence.
- (e) The operation of the accommodation premises must not constitute a nuisance under *Local Law No. 10 (Public Health) 1999*.
- (f) Adequate provision must exist for people and vehicles to safely enter and leave the accommodation premises.
- (g) The grounds of the accommodation premises must be maintained in a safe and tidy condition at all times.

¹ Section 9 (Conditions of a licence) of this subordinate local law sets out examples of conditions that may be imposed on a licence by a local government. These conditions are not mandatory, and the conditions imposed on a licence may vary depending on the specific circumstances of the operation of the accommodation premises in each case.

- (h) An extension telephone bell, open air address system or similar device must not be used as part of the operation of the accommodation premises.
- (i) All objects (including vehicles and machinery) which are dismantled as part of the operation of the accommodation premises must be dismantled undercover on a paved impervious surface which is unaffected by stormwater runoff.
- (j) Only rainwater from uncontaminated areas shall drain directly into the stormwater system.
- (k) A spillage of a waste, contaminant or other material must—
 - (i) be cleaned up immediately; and
 - (ii) not be cleaned up by hosing, sweeping or otherwise releasing such waste, contaminant or material to any stormwater system or waters.
- (l) No animal is allowed within a dwelling unit forming part of the operation of the accommodation premises unless—
 - (i) approved by an authorised person and the holder of the licence has not prohibited the animal from being within a dwelling unit forming part of the operation of the accommodation premises; or
 - (ii) the animal is a dog, it is under effective control and the holder of the licence has not prohibited the animal from being within a dwelling unit forming part of the operation of the accommodation premises; or
 - (iii) the animal is an assistance animal.
- (m) Adequate space must be provided for all persons and the public involved in the operation of the accommodation premises.
- (n) All public access areas that are part of the operation of the accommodation premises must be maintained at all times in a clean, tidy, sanitary and hygienic condition.
- (o) The holder of the licence or a representative of the holder of the licence must reside on the premises involved in the operation of the accommodation premises.
- (p) The accommodation premises (including all fixtures, fittings, equipment, furniture and facilities) must be maintained in a clean, tidy, sanitary and hygienic condition.

- (q) All shared facilities that are a part of the operation of the accommodation premises must be thoroughly cleaned after the accommodation premises is vacated and before its use by another occupier.
- (r) All bed linen and towels provided within the accommodation premises must be changed with clean linen and towels—
 - (i) at least weekly; and
 - (ii) after the accommodation premises is vacated and before its reuse by another occupier.
- (s) The accommodation premises (including internal and external paintwork) must be regularly maintained.
- (t) The shared facilities that form part of the operation of the accommodation premises must be regularly maintained.
- (u) The accommodation premises must be regularly cleaned.
- (v) Water intended for use for domestic purposes as part of the operation of the accommodation premises must be from an approved water source.
- (w) The water to be used in the operation of the accommodation premises must be of an appropriate quality to be used for that purpose.
- (x) An adequate and continuous supply of water must be maintained to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the operation of the accommodation premises.
- (y) An adequate and continuous supply of hot water must be maintained to all bathroom, kitchen and laundry facilities that form part of the operation of the accommodation premises.
- (z) The water supply for drinking purposes must be potable water.
- (aa) The holder of the licence must not change the water supply system without the prior notification to the local government and approval of an authorised person.
- (ab) Adequate water and electricity must be provided as part of the operation of the accommodation premises.
- (ac) Adequate shower, toilet and ablution facilities specified by the local government must be provided as part of the operation of the accommodation premises.
- (ad) Adequate sanitary facilities must be provided to service the operation of the accommodation premises.

- (ae) Sanitary facilities must be kept open during the hours of operation of the accommodation premises and signs must be erected indicating the location of the sanitary facilities.
- (af) All hazardous materials must be stored and used in a safe manner as part of the operation of the accommodation premises.
- (ag) Adequate storage must be provided for all hazardous materials stored or used as part of the operation of the accommodation premises.
- (ah) All maintenance of the accommodation premises must be performed safely in accordance with all relevant laws.
- (ai) Waste containers sufficient to accommodate the collection and storage of all waste generated as part of the operation of the accommodation premises must be provided in the manner and locations specified by the local government.
- (aj) Waste containers that are provided as part of the operation of the accommodation premises must at all times be regularly cleaned and maintained in a clean, tidy, sanitary and hygienic condition.
- (ak) Waste containers that are provided as part of the operation of the accommodation premises must be designed and constructed to prevent access to pests and to be easily and effectively cleaned and disinfected.
- (al) All waste (including waste water) generated as part of the operation of the accommodation premises must be disposed of in a safe and sanitary manner.
- (am) All waste generated as part of the operation of the accommodation premises must be disposed of in a manner which maintains the operation of the accommodation premises and its surrounds in a clean, tidy, sanitary and hygienic condition.
- (an) All waste water generated during or from the operation of the accommodation premises must be discharged safely to the sewerage system or an on-site sewerage facility.
- (ao) Human wastes from the operation of the accommodation premises must be disposed of at a dedicated sanitary facility, the sewerage system or an on-site sewerage facility.
- (ap) Waste from the operation of the accommodation premises must not be disposed of into the stormwater system, waters or a watercourse.
- (aq) The licence issued by the local government must be prominently and permanently displayed to enable it to be viewed by members of the public.

- (ar) The trading name and telephone number of the holder of the licence must be prominently and permanently displayed in letters and numbers not less than 75mm in height at locations specified by the local government to enable it to be viewed by members of the public.
- (as) A copy of a current electrical safety certificate of compliance issued under the applicable law in respect of electrical safety must be provided to the local government on an annual basis with the application for the renewal of the licence or as required by an authorised person.
- (at) Any structure, vehicle, facility or equipment which is part of the operation of the accommodation premises must not be changed in any respect without the prior notification to the local government and approval of an authorised person.
- (au) The operation of a swimming pool as part of the operation of the accommodation premises must comply with one or more of the prescribed water quality standards in Schedule 1 (Prescribed water quality standards) of this subordinate local law.
- (av) The operation of any prescribed activities as part of the accommodation premises the subject of this licence must be the subject of separate licences under *Local Law No. 9 (Licensing) 1999*.
- (aw) The operation of the accommodation premises must comply with—
 - (i) any relevant development approval; and
 - (ii) the provisions of the planning scheme and any relevant planning scheme policy.

Part 3 Enforcement

10 Records to be kept

For the purposes of section 16(2)(b) (Inspection of a prescribed activity) of *Local Law No. 9 (Licensing) 1999*—

- (a) records must be kept by the person operating the accommodation premises; and
- (b) the records must contain details of—
 - (i) the numbers of persons accommodated in each bedroom within the accommodation premises; and
 - (ii) the dates of the arrival and departure of persons occupying the accommodation premises; and

- (iii) copies of service records relating to fire safety installations, electrical facilities and equipment and on-site sewerage facilities; and
 - (iv) material data safety sheets for all hazardous materials stored in the premises; and
- (c) the records must be kept for a period of seven (7) years.

11 Inspection monitoring or management program

For the purposes of section 16(4)(b) (Inspection of a prescribed activity) of *Local Law No. 9 (Licensing) 1999* the person operating the accommodation premises must (unless otherwise required by the local government) maintain—

- (a) a cleaning and sanitation management program; and
- (b) a fire safety maintenance program (other than in the case of a budget accommodation building as defined in the *Building Act 1975*); and
- (c) an electrical safety maintenance program; and
- (d) a pest control management program; and
- (e) a maintenance management program; and
- (f) a ventilation system maintenance program; and
- (g) a drinking water quality monitoring program; and
- (h) a management program to ensure that the water quality of any swimming pool that is part of the operation of the accommodation premises is maintained at all times at safe levels and fit for use by the residents and their guests under normal conditions of use; and
- (i) an on-site sewerage facility maintenance and monitoring program.

Schedule 1 Prescribed water quality standards

Section 9

For the purposes of section 9(a) (Conditions of a licence) of this subordinate local law, the prescribed water quality standards for swimming pools are those specified in the Queensland Health Swimming and Spa Pool Water Quality and Operational Guidelines (as amended from time to time and however so called) published by Queensland Health (however known).

Schedule 2 Dictionary

section 4

animal has the meaning given in the local government's animal management local laws.

approved water source means a potable water source approved by the local government and may include a nominated reticulated water delivery point and a recognised water source.

assistance animal has the meaning given in the local government's animal management local laws.

bedroom means a room or dormitory intended for the primary purpose of sleeping but does not include a room or place to which persons occupying the accommodation premises may have access as part of the ordinary shared living in the accommodation premises.

building work has the meaning given in the *Planning Act 2016*.

caravan means a structure, a vehicle or a trailer designed, adapted or used for residential accommodation which is capable of being registered pursuant to the *Transport Operations (Road Use Management) Act 1995*. The term includes an approved attached annexe where the floor area of the annexe is no greater than the floor area of the structure, the vehicle or the trailer.

contaminant has the meaning given in the Environmental Protection Act 1994.

dangerous good has the meaning given to **dangerous goods** in the *Work Health and Safety Act 2011*.

development approval has the meaning given in the *Planning Act 2016*.

dog has the meaning given in the local government's animal management local laws.

domestic purposes means the purposes of—

- (a) human consumption; or
- (b) food preparation; or
- (c) washing; or
- (d) other normal domestic duties.

dwelling has the meaning given in the planning scheme.

dwelling house has the meaning given in the planning scheme.

effective control has the meaning given in the local government's animal management local laws as it relates to dogs.

environment has the meaning given in the *Environmental Protection Act 1994*.

exempt accommodation premises means accommodation premises being a caravan used in conjunction with a dwelling house on the same lot.

fire safety installation has the meaning given in the Building Act 1975.

floor area includes in relation to a bedroom the area occupied by any furniture, structure, fitting or cupboard, other than a built in cupboard permanently attached to a wall, but does not include the area occupied by any bathroom in or attached to the bedroom.

ground water means water occurring in a geological structure or formation under the surface of the ground.

hazardous material means a substance which—

- (a) because of its chemical, biochemical, microbiological or radiological properties, temperature or state of compression could in sufficient concentration cause—
 - (i) harm to human health and safety or personal injury; or
 - (ii) property damage; or
 - (iii) environmental harm or environmental nuisance; and
- (b) includes—
 - (i) a hazardous substance; and
 - (ii) a dangerous good; and
 - (iii) a scheduled poison.

hazardous substance has the meaning given in the *Coal Mining Safety and Health Regulation 2017*.

human waste means urine and faeces from human beings.

NATA means the National Association of Testing Authorities.

on-site sewerage facility has the meaning given in the Plumbing and Drainage Act 2002.

pest includes vermin and insects.

planning scheme means the Logan Planning Scheme 2015.

planning scheme policy has the meaning given in the *Planning Act 2016*.

potable water means water that is acceptable for human consumption.

recognised water source means a source of water recognised in writing by the local government as—

- (a) complying with the Australian Drinking Water Guidelines prepared by the National Health and Medical Research Council and the Agricultural Resources Management Council of Australia and New Zealand; or
- (b) being suitable for domestic purposes.

sanitary convenience has the meaning given in the *Environmental Protection Act 1994* but does not include a cesspit or cesspool.

sanitary facility includes the matters (such as shower, toilet and ablution facilities) specified in the *Building Code of Australia*.

scheduled poison has the meaning given in the Standard for the Uniform Scheduling of Drugs and Poisons.

sewerage system has the meaning given in the Plumbing and Drainage Act 2002.

spa pool means a swimming pool that is a structure containing an artificial body of water (whether or not in combination with any other structure) which—

- (a) has facilities for heating the water contained in the structure; and
- (b) has facilities for injecting air bubbles or jets of turbulent water into that water; and
- (c) is used or intended for use for recreational or therapeutic bathing.

stormwater system means—

- (a) a roadside gutter; or
- (b) a stormwater drain; or
- (c) surface water (being water other than ground water); or
- (d) any other land or structure that is used to convey or store stormwater.

surface water means water other than ground waters.

vermin has the meaning given in Local Law No. 10 (Public Health) 1999.

waste has the meaning given in the Environmental Protection Act 1994.

waste container means a weatherproof container for the storage of waste that—

- (a) is vermin proof; and
- (b) can be readily cleaned; and

- (c) is constructed of durable material; and
- (d) is non-reactive with the intended contents; and
- (e) is leakproof; and
- (f) minimises the loss of material into the environment.

waste water means a liquid waste.

watercourse has the meaning given in the *Water Act 2000*.

waters include—

- (a) surface waters (including water flowing in a watercourse); and
- (b) ground waters; and
- (c) the bed and banks of waters.

water source means the source from which water is obtained.

water supply system has the meaning given in the Standard Plumbing and Drainage Regulation 2003.
