## **Subordinate Local Law No. 9.17**

### **(Relocatable Home Parks) 1999**

#### **Part 1 Preliminary**

##### **1 Short title**

This subordinate local law may be cited as *Subordinate Local Law No. 9.17 (Relocatable Home Parks) 1999*.

##### **2 Authorising local law**

This subordinate local law is made pursuant to *Local Law No. 9 (Licensing) 1999*.

##### **3 Object**

The object of this subordinate local law is to assist in the implementation of *Local Law No. 9 (Licensing) 1999* by ensuring that the operation of relocatable home parks—

- (a) complies with adequate standards of hygiene, sanitation and safety; and
- (b) does not give rise to a risk of spread of communicable diseases among people living in the relocatable home parks; and
- (c) complies with adequate standards of amenity.

##### **4 Definitions—the dictionary**

The dictionary in Schedule 2 (Dictionary) of this subordinate local law defines particular words used in this subordinate local law.

#### **Part 2 Licensing**

##### **5 Exemption criteria**

For the purposes of section 5(4) (Requirement for a licence) of *Local Law No. 9 (Licensing) 1999*, an exempt relocatable home park (other than an exempt relocatable home park which is limited to camping involving less than 50 people) cannot be carried out unless the following exemption criteria are complied with—

- (a) The operation of the exempt relocatable home park is located within the premises and does not extend onto a footpath or a road reserve.
- (b) The operation of the exempt relocatable home park must not detrimentally affect the amenity of neighbouring premises.

- (c) The operation of the exempt relocatable home park including all premises, buildings, structures, vehicles, facilities or equipment must be maintained at all times—
  - (i) in a good working order; and
  - (ii) in a good state of repair; and
  - (iii) in a clean and sanitary condition.
- (d) The operation of the exempt relocatable home park must not constitute a nuisance under *Local Law No. 10 (Public Health) 1999*.
- (e) Water intended for use for domestic purposes as part of the operation of the exempt relocatable home park must be from an approved water source.
- (f) The water to be used in the operation of the exempt relocatable home park must be of an appropriate quality to be used for that purpose.
- (g) An adequate and continuous supply of water must be maintained to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the operation of the exempt relocatable home park.
- (h) An adequate and continuous supply of hot water must be maintained to all bathroom, kitchen and laundry facilities that form part of the operation of the exempt relocatable home park.
- (i) The water supply for drinking purposes must be potable water.
- (j) Adequate water and electricity must be provided as part of the operation of the exempt relocatable home park.
- (k) Adequate sanitary facilities and sanitary conveniences must be provided as part of the operation of the exempt relocatable home park.
- (l) Waste containers sufficient to accommodate the collection and storage of all waste generated as part of the operation of the exempt relocatable home park must be provided.
- (m) Waste containers that are provided as part of the operation of the exempt relocatable home park must at all times be regularly cleaned and maintained in a clean, tidy, sanitary and hygienic condition.
- (n) All waste (including waste water) generated as part of the operation of the exempt relocatable home park must be disposed of in a safe and sanitary manner.

- (o) All waste generated as part of the operation of the exempt relocatable home park must be disposed of in a manner which maintains the operation of the exempt relocatable home park and its surrounds in a clean, tidy, sanitary and hygienic condition.
- (p) All waste water generated during or from the operation of the exempt relocatable home park must be discharged safely to the sewerage system or an on-site sewerage facility.
- (q) Human wastes from the operation of the exempt relocatable home park must be disposed of at a dedicated sanitary facility, in the sewerage system or at an on-site sewerage facility.
- (r) Waste from the operation of the exempt relocatable home park must not be disposed of into the stormwater system, waters or a watercourse.
- (s) A spillage of a waste, contaminant or other material must—
  - (i) be cleaned up immediately; and
  - (ii) not be cleaned up by hosing, sweeping or otherwise releasing the waste, contaminant or material to any stormwater system or waters.
- (t) Waste must not be incinerated.
- (u) Stormwater must be diverted away from hazardous material storage and contained work areas.
- (v) All hazardous materials must be stored and used in a safe manner as part of the operation of the exempt relocatable home park.
- (w) Adequate storage must be provided for all hazardous materials stored or used as part of the operation of the exempt relocatable home park.
- (x) The operation of a swimming pool as part of the operation of the exempt relocatable home park must comply with one or more of the prescribed water quality standards in Schedule 1 (Prescribed water quality standards) of this subordinate local law.

## **6 Requirement for a licence**

For the purposes of section 5(3) (Requirement for a licence) of *Local Law No. 9 (Licensing) 1999*, a licence is not required under *Local Law No. 9 (Licensing) 1999* for the operation of a relocatable home park that is an exempt relocatable home park.

## **7 Application for a licence**

For the purposes of section 6(1)(c)(iv) (Application for a licence) of *Local Law No. 9 (Licensing) 1999*, an application for a licence for the operation of a relocatable home park must (unless otherwise required by the local government) be accompanied by—

- (a) the street address, real property description and details of the owner of the premises at which the operation of the relocatable home park will be undertaken; and
- (b) the name, street address, telephone number, facsimile number and email address of the person to be operating the relocatable home park; and
- (c) the trading name, street address, telephone number, facsimile number, email address, registered business name and Australian Company Number of the business under which the operation of the relocatable home park is to be undertaken; and
- (d) a copy of the current registration certificate of any vehicle used in the operation of the relocatable home park; and
- (e) a register of residents; and
- (f) a current certificate of compliance issued by the Queensland Fire and Rescue Service and an electrical safety certificate of compliance; and
- (g) a plan to scale and specifications of the operation of the relocatable home park including—
  - (i) separation distances; and
  - (ii) a site plan; and
  - (iii) a floor plan of sanitary facilities; and
  - (iv) the boundaries of the premises; and
  - (v) the location, number and type of sanitary facilities; and
  - (vi) the location and number of laundries; and
  - (vii) the water supply system; and
  - (viii) a plumbing and drainage plan including water outlets; and
  - (ix) the location and number of approved relocatable, caravan and tent sites within the operation of the relocatable home park; and

- (x) all ancillary facilities; and
  - (xi) fire safety installations; and
  - (xii) the sewerage system; and
  - (xiii) an electrical plan; and
  - (xiv) on-site sewerage facilities and the waste water disposal system; and
- (h) details of the proposed inspection, monitoring and management programs.

## **8 Deciding application for a licence**

For the purposes of Schedule 2 (Dictionary) and section 7(2)(f) (Deciding application for a licence) of *Local Law No. 9 (Licensing) 1999*, the local government must grant a licence for the operation of the relocatable home park if satisfied that the operation of the relocatable home park complies with the following assessment criteria—

- (a) The operation of the relocatable home park can be lawfully conducted on the premises.
- (b) The operation of the relocatable home park will not be carried out on premises with an area less than 450m<sup>2</sup>.
- (c) The matters which are the subject of the conditions specified in section 9 (Conditions of a licence) of this subordinate local law which are relevant to the operation of the relocatable home park can be adequately addressed by the imposition of those conditions.

## **9 Conditions of a licence**

For the purposes of section 9(3) (Conditions of a licence) of *Local Law No. 9 (Licensing) 1999*, the local government may impose all or any of the following conditions on a licence for the operation of the relocatable home park<sup>1</sup>—

- (a) The operation of the relocatable home park must not detrimentally affect the amenity of neighbouring premises.
- (b) The operation of the relocatable home park must not—
  - (i) create a traffic problem; or

---

<sup>1</sup> Section 9 (Conditions of a licence) of this subordinate local law sets out examples of conditions that may be imposed on a licence by a local government. These conditions are not mandatory, and the conditions imposed on a licence may vary depending on the specific circumstances of the operation of the relocatable home park in each case.

- (ii) increase an existing traffic problem; or
  - (iii) detrimentally affect the efficiency of the existing road network.
- (c) The operation of the relocatable home park must not constitute a risk to road safety.
- (d) The operation of the relocatable home park including all premises, buildings, structures, vehicles, facilities or equipment must be maintained at all times—
  - (i) in a good working order; and
  - (ii) in a good state of repair; and
  - (iii) in a clean and sanitary condition.
- (e) A person must not camp in a place that is part of the operation of a relocatable home park if that place is not nominated for that purpose in the licence.
- (f) The operation of the relocatable home park must not constitute a nuisance under *Local Law No. 10 (Public Health) 1999*.
- (g) Adequate provision exists for people and vehicles to safely enter and leave the relocatable home park.
- (h) The grounds of the relocatable home park must be maintained in a safe and tidy condition at all times.
- (i) All accessways and other areas to which the public has access within the relocatable home park must be maintained in a clean, tidy and sanitary condition at all times.
- (j) An extension telephone bell, open air address system or similar device must not be used as part of the operation of the relocatable home park.
- (k) All objects (including vehicles and machinery) which are dismantled as part of the operation of the relocatable home park must be dismantled undercover on a paved impervious surface which is unaffected by stormwater runoff.
- (l) Only rainwater from uncontaminated areas shall drain directly into the stormwater system.
- (m) A spillage of a waste, contaminant or other material must—
  - (i) be cleaned up immediately; and

- (ii) not be cleaned up by hosing, sweeping or otherwise releasing such waste, contaminant or material to any stormwater system or waters.
- (n) Stormwater must be diverted away from hazardous material storage and contained work areas.
- (o) No animal is allowed within the operation of the relocatable home park unless kept in accordance with the local government's animal management local laws.
- (p) All public access areas that are part of the operation of the relocatable home park must be maintained at all times in a clean, tidy, sanitary and hygienic condition.
- (q) The relocatable home park (including all fixtures, fittings, equipment, furniture and facilities) must be maintained in a clean, tidy, sanitary and hygienic condition.
- (r) Water intended for use for domestic purposes as part of the operation of the relocatable home park must be from an approved water source.
- (s) The water to be used in the operation of the relocatable home park must be of an appropriate quality to be used for that purpose.
- (t) An adequate and continuous supply of water must be maintained to all toilet, bathroom, kitchen, laundry and drinking water facilities that form part of the operation of the relocatable home park.
- (u) An adequate and continuous supply of hot water must be maintained to all bathroom, kitchen and laundry facilities that form part of the operation of the relocatable home park.
- (v) The water supply for drinking purposes must be potable water.
- (w) The holder of the licence must notify the local government of any modification of the water supply system.
- (x) Adequate water and electricity must be provided as part of the operation of the relocatable home park.
- (y) The camping ground and caravan park component of the relocatable home park must be provided with—
  - (a) sanitary conveniences for each sex for the exclusive use of the residents of the camping ground and caravan park component of the relocatable home park—

- (i) in accordance with the Table below (excluding as a site any caravan which is fitted with a sanitary convenience); and

**TABLE**

<b>No. of sites</b>	<b>Minimum no. of water closets or pan cabinets and pans for females</b>	<b>Minimum no. of water closets or pan cabinets and pans for males</b>	<b>Minimum length of urinals for males</b>
up to 40	1 for every 7 sites or part thereof	1 for every 10 sites or part thereof	0.6m for every 20 sites or part thereof
over 40	6 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	4 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	0.6m for every 20 sites or part thereof

- (ii) such that if 10 or more water closet fixtures are provided at least 1 such water closet fixture and its compartment or cubicle is—
- (A) accessible to both sexes; and
  - (B) constructed, equipped and provided with access in accordance with *AS1428 Design for Access and Mobility – General Requirements for Access*; and
- (iii) which are installed and kept in a separate compartment or cubicle constructed so as to ensure that the privacy of the persons using the sanitary conveniences is maintained; and
- (b) ablution facilities for each sex for the exclusive use of the residents of the camping ground and caravan park component of the relocatable home park—
- (i) in the ratio of 1 shower or bath and 1 hand basin to every 15 sites or part thereof (excluding as a site any caravan which is fitted with ablution facilities); and
  - (ii) which are kept and installed in a separate compartment or cubicle constructed so as to ensure that the privacy of the persons using the ablution facilities is maintained; and

- (c) laundry facilities for the exclusive use of the residents of the camping ground and caravan park component of the relocatable home park in the ratio of 1 set of twin wash tubs, 1 clothes washing machine and 1 clothes dryer or 1 clothes hoist or equivalent length of clothes line for every 20 sites or part thereof (excluding as a site any cabin which is fitted with a set of twin wash tubs and a clothes washing machine).
  
- (z) The floors of a sanitary facility must—
  - (i) be able to be easily and effectively cleaned and sanitised; and
  - (ii) be unable to absorb grease, food particles or water; and
  - (iii) be laid so that there is no ponding of water; and
  - (iv) be smooth; and
  - (v) prevent the entry of dirt, dust, insects and vermin.
  
- (aa) The walls of a sanitary facility must—
  - (i) be able to be easily and effectively cleaned and sanitised; and
  - (ii) be unable to absorb grease, food particles or water; and
  - (iii) be smooth; and
  - (iv) prevent the entry of dirt, dust, insects and vermin.
  
- (ab) The ceiling of a sanitary facility must—
  - (i) be able to be easily and effectively cleaned and sanitised; and
  - (ii) be smooth; and
  - (iii) prevent the entry of dirt, dust, insects and vermin.
  
- (ac) All hazardous materials must be stored and used in a safe manner as part of the operation of the relocatable home park.
  
- (ad) Adequate storage must be provided for all hazardous materials stored or used as part of the operation of the relocatable home park.
  
- (ae) All maintenance of the relocatable home park must be performed safely in accordance with all relevant laws.
  
- (af) Waste containers sufficient to accommodate the collection and storage of all waste generated as part of the operation of the relocatable home park

must be provided in the manner and locations specified by the local government.

- (ag) Waste containers that are provided as part of the operation of the relocatable home park must at all times be regularly cleaned and maintained in a clean, tidy, sanitary and hygienic condition.
- (ah) Waste containers that are provided as part of the operation of the relocatable home park must be designed and constructed to prevent access to pests and to be easily and effectively cleaned and disinfected.
- (ai) All waste (including waste water) generated as part of the operation of the relocatable home park must be disposed of in a safe and sanitary manner.
- (aj) All waste generated as part of the operation of the relocatable home park must be disposed of in a manner which maintains the operation of the relocatable home park and its surrounds in a clean, tidy, sanitary and hygienic condition.
- (ak) All waste water generated during or from the operation of the relocatable home park must be discharged safely to the sewerage system or an on-site sewerage facility.
- (al) Human wastes from the operation of the relocatable home park must be disposed of at a dedicated sanitary facility, the sewerage system or an on-site sewerage facility.
- (am) Waste generated as part of the operation of the relocatable home park must be kept so as not to attract pests.
- (an) Waste from the operation of the relocatable home park must not be disposed of into the stormwater system, waters or a watercourse.
- (ao) Waste must not be incinerated.
- (ap) Any water supply outlet for non potable water that is part of the operation of the relocatable home park must be prominently and permanently displayed with the words “Not fit for human consumption” so that it can be viewed by members of the public.
- (aq) The licence issued by the local government must be prominently and permanently displayed to enable it to be viewed by members of the public.
- (ar) The trading name and telephone number of the holder of the licence must be prominently and permanently displayed in letters and numbers not less

than 75mm in height at locations specified by the local government to enable it to be viewed by members of the public.

- (as) Adequate signage must be exhibited as part of the operation of the relocatable home park in the manner and locations specified by the local government.
- (at) Places, rooms or areas that are part of the operation of the relocatable home park must be numbered and described in the manner specified by the local government.
- (au) Emergency contact numbers must be displayed in the manner and locations as specified by the local government or otherwise so that it can be viewed by members of the public.
- (av) A plan of the operation of the relocatable home park must be displayed in the manner and locations specified by the local government or otherwise so that it can be viewed by members of the public.
- (aw) The evacuation plan and procedures for the operation of the relocatable home park must be displayed in the manner and locations specified by the local government or otherwise so that it can be viewed by members of the public.
- (ax) The management rules governing the operation of the relocatable home park must be displayed in the manner and locations specified by the local government or otherwise so that it can be viewed by members of the public.
- (ay) A copy of a current electrical safety certificate of compliance issued under the applicable law in respect of electrical safety must be provided to the local government on an annual basis with the application for the renewal of the licence or as required by an authorised person.
- (az) Any structure, vehicle, facility or equipment which is part of the operation of the relocatable home park the subject of the licence must not be changed in any respect without the prior notification to the local government and approval of an authorised person.
- (ba) The operation of a swimming pool as part of the operation of the relocatable home park must comply with one or more of the prescribed water quality standards in Schedule 1 (Prescribed water quality standards) of this subordinate local law.
- (bb) The operation of any prescribed activities as part of the relocatable home park the subject of this licence must be the subject of separate licences under *Local Law No. 9 (Licensing) 1999*.

- (bc) The operation of the relocatable home park must comply with the provisions of *Subordinate Local Law No. 9.10 (Accommodation Premises) 1999* where the operation of the relocatable home park involves prescribed accommodation as defined by *Local Law No. 9 (Licensing) 1999*.
- (bd) The operation of the relocatable home park must comply with—
  - (i) any relevant development approval; and
  - (ii) the provisions of the planning scheme and any relevant planning scheme policy.

## **Part 3                    Enforcement**

### **10        Records to be kept**

For the purposes of section 16(2)(b) (Inspection of a prescribed activity) of *Local Law No. 9 (Licensing) 1999*—

- (a) records must be kept by the person operating the relocatable home park; and
- (b) the records must contain details of—
  - (i) the register of persons being accommodated in the relocatable home park; and
  - (ii) the evacuation plan; and
  - (iii) the waste transporter; and
  - (iv) copies of service records relating to all fire safety installations and electrical facilities and equipment and on-site sewerage facilities at the relocatable home park; and
  - (v) water analysis reports; and
- (c) the records must be kept for a period of seven (7) years.

### **11        Inspection monitoring or management program**

For the purposes of section 16(4)(b) (Inspection of a prescribed activity) of *Local Law No. 9 (Licensing) 1999*, the person operating the relocatable home park must (unless otherwise required by the local government) maintain—

- (a) a cleaning and sanitation management program; and
- (b) a fire safety maintenance program; and

- (c) an emergency evacuation procedures program; and
- (d) a maintenance management program; and
- (e) a drinking water quality monitoring program; and
- (f) an on-site sewerage facility maintenance and monitoring program; and
- (g) a management program to ensure that the water quality of any swimming pool that is part of the operation of the relocatable home park is maintained at all times at safe levels and fit for use by residents or their guests under normal conditions of use; and
- (h) an electrical safety maintenance program.

## **Schedule 1 Prescribed water quality standards**

Sections 5 and 9

For the purposes of section 5(x) (Prescribed criteria) and section 9(ba) (Conditions of a licence) of this subordinate local law, the prescribed water quality standards for swimming pools are those specified in the Queensland Health Swimming and Spa Pool Water Quality and Operational Guidelines (as amended from time to time and however so called) published by Queensland Health (however known).

## Schedule 2      Dictionary

section 4

***approved water source*** means a potable water source approved by the local government and may include a nominated reticulated water delivery point and a recognised water source.

***contaminant*** has the meaning given in the Environmental Protection Act 1994.

***dangerous good*** has the meaning given to **dangerous goods** in the Work Health and Safety Act 2011.

***development approval*** has the meaning given in the Planning Act 2016.

***domestic purposes*** means the purposes of—

- (a) human consumption; or
- (b) food preparation; or
- (c) washing; or
- (d) other normal domestic duties.

***environment*** has the meaning given in the Environmental Protection Act 1994.

***exempt relocatable home park*** means—

- (a) a temporary relocatable home park as defined in *Local Law No. 9 (Licensing) 1999* that—
  - (i) in the case of the establishment of a caravan or a relocatable home on premises, is located on premises with a minimum size of 450m<sup>2</sup>; or
  - (ii) in the case of camping, involves a maximum of 100 people; or
- (b) a temporary relocatable home park or a relocatable home park as defined in *Local Law No. 9 (Licensing) 1999* that has no shared toilet, shower, bath or wash basin facilities.

***fire safety installation*** has the meaning given in the Building Act 1975.

***ground waters*** means water occurring in a geological structure or formation under the surface of the ground.

***hazardous material*** means a substance which—

- (a) because of its chemical, biochemical, microbiological or radiological properties, temperature or state of compression could in sufficient concentration cause—

- (i) harm to human health and safety or personal injury; or
  - (ii) property damage; or
  - (iii) environmental harm or environmental nuisance; and
- (b) includes—
- (i) a hazardous substance; and
  - (ii) a dangerous good; and
  - (iii) a scheduled poison.

***hazardous substance*** has the meaning given in the Coal Mining Safety and Health Regulation 2017.

***human waste*** means urine and faeces from human beings.

***NATA*** means the National Association of Testing Authorities.

***on-site sewerage facility*** has the meaning given in the Plumbing and Drainage Act 2002.

***pest*** includes vermin and insects.

***planning scheme*** means the Logan Planning Scheme 2015.

***planning scheme policy*** has the meaning given in the Planning Act 2016.

***potable water*** means water that is acceptable for human consumption.

***recognised water source*** means a source of water recognised in writing by the local government as—

- (a) complying with the Australian Drinking Water Guidelines prepared by the National Health and Medical Research Council and the Agricultural Resources Management Council of Australia and New Zealand; or
- (b) being suitable for domestic purposes.

***relocatable home park*** means a relocatable home park and a temporary relocatable home park.

***sanitary convenience*** has the meaning given in the *Environmental Protection Act 1994* but does not include a cesspit or cesspool.

***sanitary facility*** includes the matters (such as shower, toilet and ablution facilities) specified in the *Building Code of Australia*.

***scheduled poison*** has the meaning given in the Standard for the Uniform Scheduling of Drugs and Poisons.

**sewerage system** has the meaning given in the Plumbing and Drainage Act 2002.

**spa pool** means a swimming pool that is a structure containing an artificial body of water (whether or not in combination with any other structure) which—

- (a) has facilities for heating the water contained in the structure; and
- (b) has facilities for injecting air bubbles or jets of turbulent water into that water; and
- (c) is used or intended for use for recreational or therapeutic bathing.

**stormwater system** means—

- (a) a roadside gutter; or
- (b) a stormwater drain; or
- (c) surface water (being water other than ground water); or
- (d) any other land or structure that is used to convey or store stormwater.

**surface waters** means water other than ground water.

**swimming pool** has the meaning given in Local Law No. 10 (Public Health) 1999.

**vermin** has the meaning given in Local Law No. 10 (Public Health) 1999.

**waste** has the meaning given in the Environmental Protection Act 1994.

**waste container** means a weatherproof container for the storage of waste that—

- (a) is vermin proof; and
- (b) can be readily cleaned; and
- (c) is constructed of durable material; and
- (d) is non-reactive with the intended contents; and
- (e) is leakproof; and
- (f) minimises the loss of material into the environment.

**waste water** means a liquid waste.

**watercourse** has the meaning given in the *Water Act 2000*.

*waters* include—

- (a) surface waters (including water flowing in a watercourse); and
- (b) ground waters; and
- (c) the bed and banks of waters.

*water source* means the source from which water is obtained.

*water supply system* has the meaning given in the Standard Plumbing and Drainage Regulation 2003.

*work* has the meaning given to **building work, drainage work, operational work or plumbing work** in the Planning Act 2016.
