Subordinate Local Law No. 7.1

(Regulated Parking) 2003

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 7.1 (Regulated Parking) 2003*.

2 Authorising local law

This subordinate local law is made pursuant to *Local Law No.7 (Parking) 2003*.

3 Object

The object of this subordinate local law is to assist with the implementation of *Local Law No.7 (Parking) 2003* by specifying those matters that are necessary for the implementation of a regulated parking system in the local government's area.

Part 2 Parking requirements

4 Traffic area

For the purposes of section 5(1) (Declaration of traffic area) of *Local Law No. 7 (Parking) 2003*, those parts of the local government area that are declared to be a traffic area are those described in Schedule 1 (Traffic areas) of this subordinate local law and are hatched in black on the maps in Schedule 1 (Traffic areas) of this subordinate local law.

5 Restrictions on parking in a traffic area

For the purposes of section 6(1)(a) and (b) (Regulation of parking in a traffic area) of *Local Law No. 7 (Parking) 2003*, parking in a traffic area shall be restricted to the maximum time, days and hours specified in Schedule 1 (Traffic areas) of this subordinate local law.

6 Off-street regulated parking areas

For the purposes of section 10(1) (Off-street regulated parking areas) of *Local Law No. 7 (Parking) 2003*, the land, including structures on the land, that is defined as an off-street regulated parking area is the land described in Schedule 2 (Off-street regulated parking areas) of this subordinate local law.

Note—

The local government may only regulate parking under the *Transport Operations (Road Use Management) Act 1995* on an off-street regulated parking area described in Part 2 of Schedule 2 if there is an arrangement between the local government and a person who owns or has an interest in the land which allows the local government to regulate parking on the land. See the *Transport Operations (Road Use Management) Act 1995*, sections 101(1)(c) and 104.

7 Persons to whom parking permits may be granted

- (1) For the purposes of section 18 (Persons to whom parking permits may be granted) of Local Law No. 7 (Parking) 2003, this section specifies—
 - (a) the classes of persons to whom parking permits may be granted; and
 - (b) the circumstances in which parking permits may be granted.
- (2) A parking permit (a ***resident parking permit***) may be granted in circumstances where—
 - (a) a person resides in a residence situated on a section of road and parking immediately adjacent to the residence is regulated by time; and
 - (b) the issue of the resident parking permit would not unduly impede the flow of traffic either on the road or in the area; and
 - (c) the residence does not have and cannot reasonably be provided with adequate off-street parking; and
 - (d) if the resident parking permit is granted – there would not be in force more than 3 resident parking permits for the same residence.
- (3) A parking permit (a ***community service organisation parking permit***) may be granted to a community service organisation if—
 - (a) the community service organisation use the parking permit for an activity which is consistent with the objects of the community service organisation; and
 - (b) the activity is undertaken on a section of road where—
 - (i) parking is regulated by time; and
 - (ii) the issue of the permit would not unduly impede the flow of traffic either on the road or in the area.
- (4) A parking permit (a ***temporary parking permit***) may be granted to allow the holder of the permit to park 1 or more vehicles in a designated parking space or

spaces for a period specified in the permit despite an indication on an official traffic sign to the contrary and despite the fact that paid parking would otherwise apply to the space or spaces.

- (5) A temporary parking permit may only be granted if the local government is satisfied that—
- (a) the applicant is engaged in some temporary activity affecting premises immediately adjacent to the designated parking space or spaces to which the application relates; and
 - (b) it is not reasonably practical for the applicant to carry out that activity unless the designated parking space or spaces to which the application relates are allocated to the applicant's exclusive use for the duration of the activity.
- (6) A parking permit (a *works zone parking permit*) may be granted if the local government is satisfied that—
- (a) the part of the road to which the application relates is adjacent to the site of proposed building or construction work; and
 - (b) the carrying out of the building or construction work is lawful; and
 - (c) having regard to the nature of the building or construction work and the characteristics of the site of the work, it is not reasonably practical for all work activity involving vehicle loading and unloading and associated vehicle movements to be confined within the site.
- (7) A parking permit (a *local government works parking permit*) may be granted to allow a person to park 1 or more vehicles in a designated parking space or spaces, and for a period specified in the permit despite an indication on an official traffic sign to the contrary and despite the fact that paid parking would otherwise apply to the space or spaces if the person is—
- (a) an employee, contractor or agent of the local government; and
 - (b) parking the vehicle or vehicles in the space or spaces—
 - (i) for the purpose of carrying out work for or on behalf of the local government; and
 - (ii) in the course of carrying out his or her duties for or on behalf of the local government.
- (8) A parking permit (a *visitor parking permit*) may be granted in circumstances where—

- (a) a person (the **resident**) resides in a residence situated on a section of road and parking immediately adjacent to the residence is regulated by time; and
 - (b) the visitor parking permit is to be made available by the resident for use by another person who—
 - (i) is visiting or attending at the residence identified in the visitor parking permit; and
 - (ii) intends parking on the section of road immediately adjacent to the residence; and
 - (c) the issue of the visitor parking permit would not unduly impede the flow of traffic either on the road or in the area; and
 - (d) the residence does not have and cannot reasonably be provided with adequate off-street parking; and
 - (e) if the visitor parking permit is granted – there would not be in force more than 3 visitor parking permits for the same residence.
- (9) A parking permit (a **business parking permit**) may be granted in circumstances where—
- (a) a person is a permanent employee at a business situated on a section of road; and
 - (b) parking immediately adjacent to the business is regulated by time; and
 - (c) the business is a lawful use within the meaning given in the *Planning Act 2016*; and
 - (d) the issue of the business parking permit would not unduly impede the flow of traffic either on the road or in the area; and
 - (e) the issue of the business parking permit would not be in conflict with the purpose of parking restrictions on the road immediately adjacent to the business; and
 - (f) the permanent employee does not have and cannot reasonably be provided with adequate off-street parking for the business.
- (10) For the purposes of this section—

community service organisation means an association incorporated under the *Associations Incorporation Act 1981* which has as the main purpose of its objects, making financial gain for community service, charitable or similar purposes.

residence means a building, or part of a building, that is—

- (a) fixed to land; and
- (b) designed, or approved by a local government, for human habitation by a single family unit; and
- (c) used for residential purposes.

8 Term of a parking permit

- (1) For the purposes of section 20(1)(b) (Term of a permit) of *Local Law No. 7 (Parking) 2003*, the term for which a parking permit is granted or renewed will ordinarily be—
 - (a) for a parking permit granted under section 7(2) – 12 months; and
 - (b) for a parking permit granted under section 7(3) – 1 month; and
 - (c) for a parking permit granted under section 7(8) – 12 months.
- (2) However, the local government may fix some other term for a parking permit if it is desirable to do so—
 - (a) to provide common expiry dates for parking permits; or
 - (b) for some other reason.

9 Conditions of a parking permit

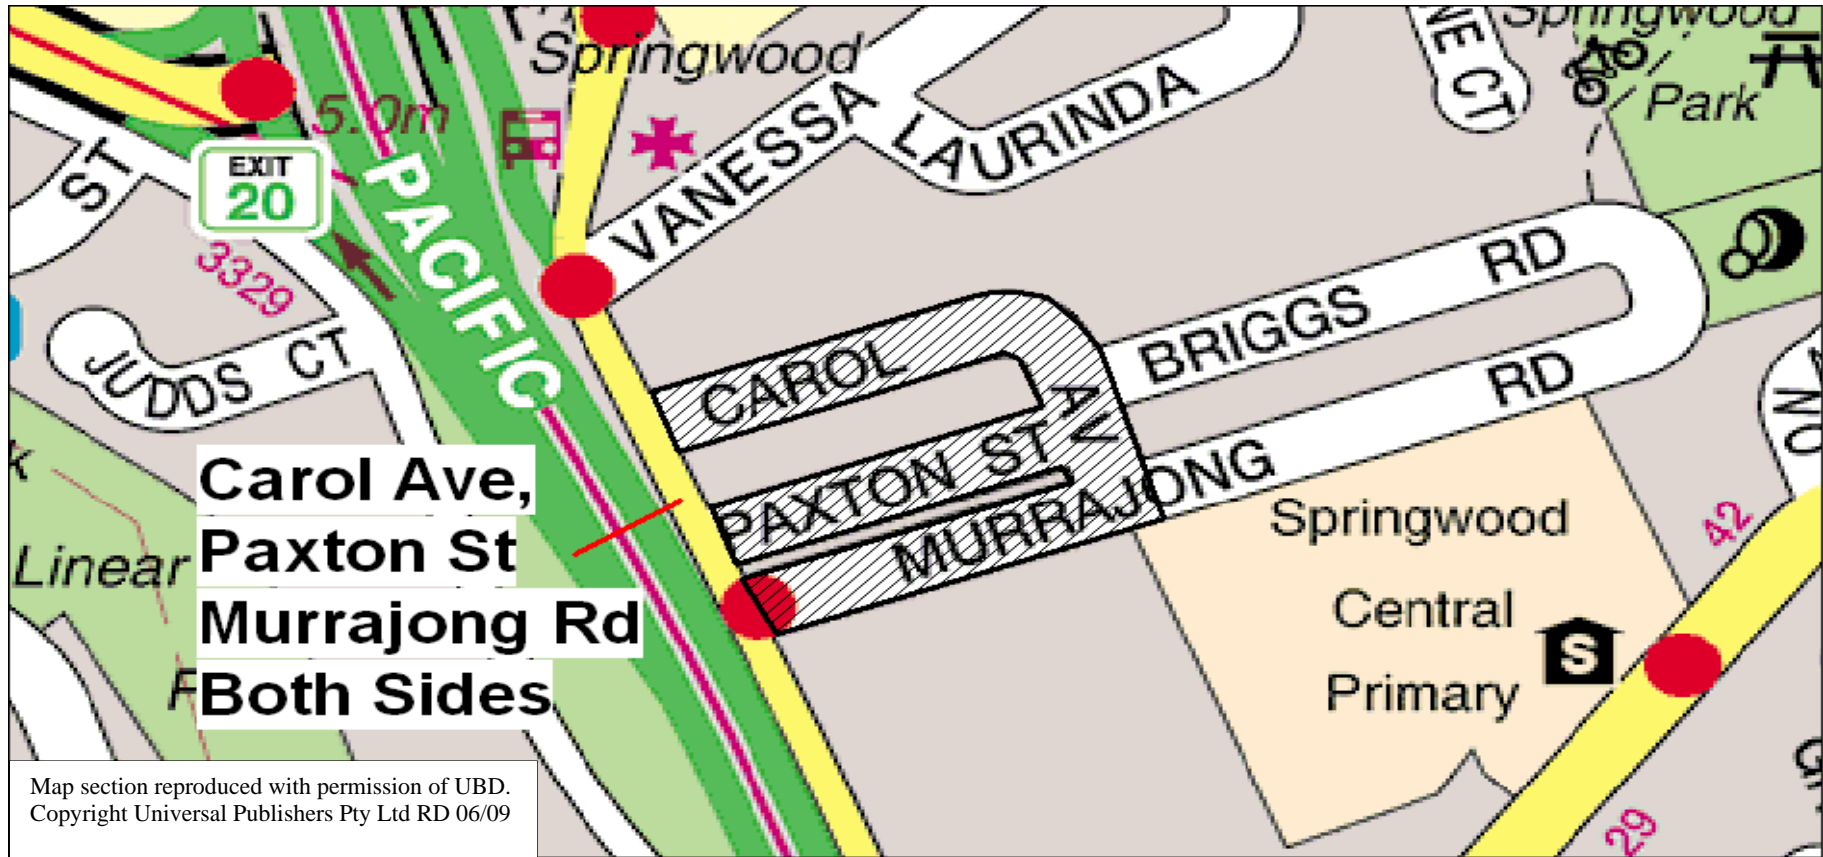

- (1) For the purposes of section 21(3) (Conditions of a permit) of *Local Law No. 7 (Parking) 2003*, this section specifies the conditions that will ordinarily be imposed on a parking permit.
- (2) The conditions that will ordinarily be imposed on all parking permits are—
 - (a) the holder of the permit must display the permit—
 - (i) on the kerbside of the vehicle; and
 - (ii) along the front windscreen, if fitted, of the vehicle identified; and
 - (iii) so the permit details, including the expiry date and the permit number, are visible from the exterior of the vehicle; and
 - (b) a replacement permit will only be issued after completion by the permit holder of a statutory declaration detailing the facts and circumstances of the loss, destruction or damage of the original permit.
- (3) The conditions that will ordinarily be imposed in a resident parking permit are—

- (a) the permit must be used only in respect of the parking of a vehicle at the location identified in the permit which must be—
 - (i) the road adjacent to the residence identified in the permit; or
 - (ii) the 1 or more segments of road in close proximity to the residence identified in the permit; and
 - (b) the holder of the permit must only use the permit whilst the holder resides at the residence identified in the permit; and
 - (c) a resident parking permit is not specific to any particular vehicle.
- (4) The conditions that will ordinarily be imposed in a works zone parking permit are—
- (a) the permit must specify the part of the road to which the permit relates; and
 - (b) the holder of the permit must pay the prescribed fee, as determined by the local government, for the installation of official traffic signs, or other signs and markings, as determined by the local government to be appropriate, to identify the boundaries of the works zone identified in the permit; and
 - (c) a vehicle must not be parked within the works zone except while it is being loaded or unloaded in connection with the building or construction work to which the permit relates; and
 - (d) materials of any kind must not be stacked, placed or otherwise left on the road or footpath (either within or outside of the works zone); and
 - (e) a vehicle must not be parked, and loading or unloading or other operations must not be carried out, in a manner which obstructs pedestrian movement along a footpath within or adjacent to the works zone.
- (5) The conditions that will ordinarily be imposed in a visitor parking permit are—
- (a) the permit must be used only in respect of the parking of a vehicle at the location identified in the permit which must be—
 - (i) the road adjacent to the residence identified in the permit; or
 - (ii) the 1 or more segments of road in close proximity to the residence identified in the permit; and
 - (b) the permit must only be used by a person visiting or attending at the residence identified in the permit; and
 - (c) a visitor parking permit is not specific to any particular vehicle.
