

# Woodlands Drive Master Drainage Temporary Woodlands Park closure

Dear resident / business owner

BMD will be in your area to deliver works on behalf of Logan City Council.

<b>Where</b>	Woodlands Park (see map overleaf)
<b>When</b>	September 2023 to early 2024 (weather and site conditions pending)
<b>Work hours</b>	7:00 am to 6:00 pm Monday to Saturday
<b>Please note</b>	Possible temporary delays due to weather or construction conditions at any time

## What is happening

Last year, Council upgraded a section of the Woodlands Drive stormwater catchment at Rochedale South.

This included improving the drainage outlet structure at Woodlands Park.

We now need to return to carry out some rectification works including, improving the drainage outlet structure in the park.

## What you can expect

We aim to minimise disruption; however some construction impacts are unavoidable such as:

- Temporary closure of some local parks
- Temporary footpath closures
- Increased noise, dust and vibration.

## Be prepared

- Temporary closure of Woodlands Park for the duration of works.
- For safety, follow instructions of work crews and road signage and keep children, equipment and materials clear of the work zone.

Thank you for your patience and cooperation while we complete these essential works.
