

# Mundoolun Road Rehabilitation Rectification works

Dear resident / business owner

Doval wishes to advise of rectification works in your area.

Where	Mundoolun Road, Jimboomba (see map overleaf)
When / work hours	<b><u>Works will be completed in 2 stages:</u></b> <b>Dayworks: Tuesday, 14 November to Thursday, 30 November from 7am to 6pm</b> <b>Nightworks: Tuesday, 14 November to Friday, 17 November from 8pm to 5am</b>
Please note	Possible temporary delays due to weather or construction conditions at any time

## What is happening

As part of the Mundoolun Road Rehabilitation project, we will be undertaking rectification works in stages to address the current surface defects along Mundoolun Road (**see map overleaf**). Activities include excavation, road resurfacing and guardrail works.

## What you can expect

We aim to minimise disruption; however some construction impacts are unavoidable such as:

- reduced speed limits, temporary road/lane closures
- noise, dust, vibration and flashing lights from trucks and large machinery
- temporary driveway access restrictions

Traffic controllers will be available during working hours to assist road users as required.

**Thank you for your patience and cooperation while we complete these essential works.**

## Be prepared

- Do not park vehicles on the road near the work area.
- Plan your journey, expect delays, and seek other routes.
- Please advise us if there are occupants with health conditions that may require emergency response or healthcare services requiring access.
- For safety, follow instructions of work crews and road signage and keep children, equipment and materials clear of the work zone.
