## Helping you to remain independent

Logan City Council offers Logan residents aged 65 and over a community transport scheme. The Council Cab service enables you (and your carer) to travel once a week from your home to the nearest major shopping centre, for \$2 each way.

#### How does it work?

This service is available in all Logan suburbs and operates on Tuesdays, Wednesdays, Thursdays and Fridays depending on your suburb.

To book a Logan Council Cab, all you need to do is call TransitCare before 11am on the day before you want to use the service.

A TransitCare vehicle will pick you up from your home at approximately 10am on your service day and take you to the nearest shopping centre.

You will be taken home from the shopping centre at 1pm. There is a four-bag limit for this service, defined as a regular supermarket cooler bag.

You will be billed at the end of the month for your travel by TransitCare.

#### How much time can I spend at the shops?

You will have about three hours to shop, have a haircut, enjoy morning tea or run errands before the TransitCare vehicle returns to take you home.

### Simply call 07 3422 7900 and ask for a Logan Council Cab.

You must call by 11 am the day before you wish to travel to your local shopping centre. You can book as far in advance as you like.

Please check the schedule for your designated day of travel, based on your suburb.

#### More information

Find out more by phoning Logan City Council on **3412 3412** or online at **Iogan.qld.gov.au/councilcabs** 

This initiative is subsidised by Logan City Council with TransitCare providing the service.

Date effective: 11 October 2024
