

Grand Plaza Drive and Eastern Road Shared Pathway Project

Project update, April 2024

We are growing our active travel network with a new link in our shared path network at Browns Plains.

As one of the fastest growing cities in Australia, our focus is on delivering a sustainable and reliable transport network.

Better off-road paths and improved local access means more opportunities for easier recreation and commuting.

The upgrade will deliver:

- › a safer and more accessible 2.5 metre wide shared concrete pathway for pedestrians, bike riders and other active transport users
- › raised crossings to prioritise access for pedestrians and bike riders
- › upgraded kerb ramps to provide smoother access between the road and the pathway
- › dedicated bicycle lanes for improved safety and visibility
- › landscaping enhancements along the shared pathway.

Project update

Logan City Council has appointed BMD Constructions to build a new shared pathway along Grand Plaza Drive and Eastern Road in Browns Plains.

When is it happening?

This \$3.53 million project is anticipated to commence in April 2024 and finish in September 2024, weather and construction conditions permitting.

To minimise the impact on businesses construction works will be conducted at night from:

- › Friday to Wednesday, 7 pm to 5 am
- › Thursday, 9 pm to 5 am.

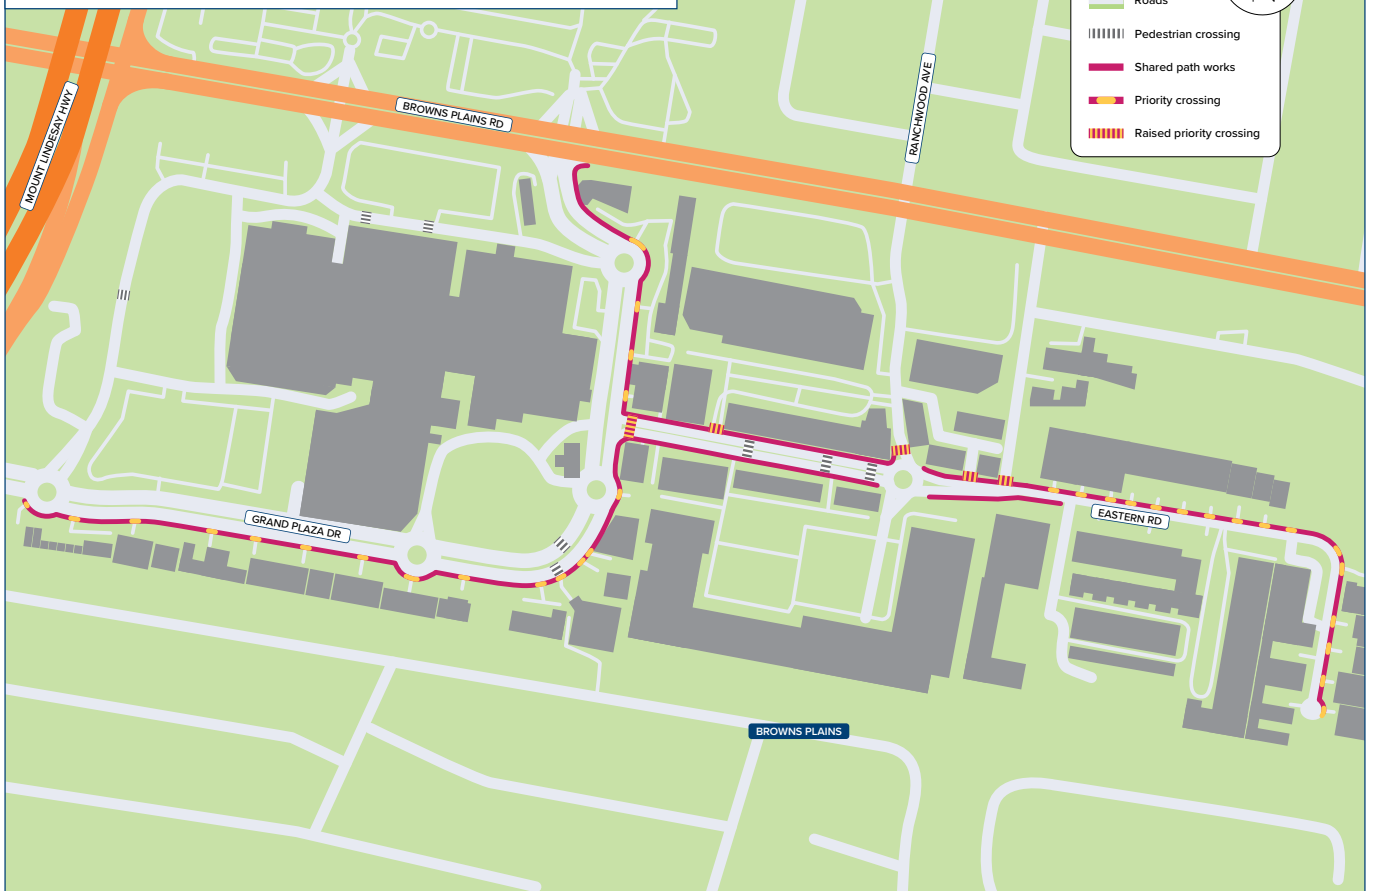

If works are required outside these hours, residents and businesses will be notified ahead of time.

For businesses operating during project work hours, BMD and Council will endeavour to ensure access is maintained at all times.

Grand Plaza Drive and Eastern Road Shared Pathway Project

Waller Park to Mount Lindesay Highway Service Road, Browns Plains

What can I expect?

Construction of the shared pathway will be delivered in stages across the project. As each stage progresses, nearby residents and businesses will be kept informed of activities and what they can expect.

Every effort will be made to minimise disruption during the works. However, some temporary construction impacts can be expected. Motorists and path users are encouraged to plan their journeys and allow extra travel time.

Meet the team

Want to know more? Come to our pop-up, meet the team event:

- 📅 Saturday 11 May 2024
- 🕒 9 am to 12 pm
- 📍 Logan West Library, Browns Plains
