

Notice of Works

Eagle Drive, Eagleby

Division 12 Councillor Karen Murphy, with the support of the City Infrastructure Chair Scott Bannan, is please to announce the commencement of road drainage and pavement rehabilitation works along Eagle Drive, Eagleby.

Where	Eagle Drive Eagleby QLD 4207
When	Start 20 May 2024 Finish September 2024
Work hours	6:30 am to 5:00 pm Monday to Friday Some activities may occur outside of the work hours.
What is happening	Road Works, to be completed by Council include: <ul style="list-style-type: none">• Reconstruction of the road pavement and associated road drainage works where needed• General tidying and verge works
Please note	Start and finish dates may change due to weather or construction conditions.

Temporary construction impacts may include:

- loss of street parking and restricted driveway access at times (affected residents will be notified)
- lane closures, traffic congestion and reduced speed limits
- noise, dust, vibration and flashing lights from trucks and machinery
- footpath detours and closures
- potential disruptions to utility services
 - Service provider(s) will notify you of any planned outages.

Thank you for your patience while we work to deliver safer streets for Logan.

Be prepared

- Do not park vehicles on the road near the closure area.
- Plan your journey and expect delays.
- If we are working outside your property and you need to get in or out, please let us know ahead of time by phone/talk with the traffic controllers.
- Please advise us if there are occupants with health conditions that may require emergency response or healthcare services requiring access.
