

Loganlea Road Upgrade

Upcoming works

Dear Business Owner,

SEE Civil on behalf of Logan City Council wishes to advise on upcoming construction works in your area.

Where	The corner of Loganlea Road and University Drive, Loganlea
When	Late August 2024, site and weather conditions permitting.
Details of works	SEE Civil are planning to install street lighting conduits within the eastern verge of Loganlea Road towards University Drive.

What is happening?

Day 1 – northern driveway street light conduit works:

- close the northern driveway (AM)
- trench across the driveway
- install electrical conduit
- backfill trench
- re-instate driveway with temporary asphalt
- re-open driveway (PM)

Day 2 – street lighting conduit works:

- trench between northern and southern driveways (no driveway closure required).

Day 3 – southern driveway street light conduit works:

- close southern driveway (AM)
- trench across driveway
- install conduit
- backfill trench
- re-instate driveway with temporary asphalt.

What can I expect?

As part of these construction works, you can expect the following:

- temporary changes to property access
- re-open driveway (PM) and additional signage
- increased truck movements
- increased noise, dust and vibration.

Be prepared:

- Temporary driveway closures and may be in place.
- Expect delays and allow extra travel time.
- For safety, follow signed directions and crew instruction.
