

Chambers Flat Road, Holloway Road to Kenny Road

Safety upgrade, September 2024

Dear resident or business owner,

On behalf of Logan City Council, Doval Constructions wishes to advise of upcoming works in your area.

Where	Chambers Flat (See maps overleaf)
When and what times	23 September 2024 to 31 October 2024 from 7:00 am to 6:00 pm, Monday to Saturday (excluding public holidays)
Please note	Works are subject to weather and construction conditions

What is happening?

Logan City Council is upgrading a section of road to enhance safety, reduce the risk of future incidents and accommodate anticipated traffic growth in the area.

What you can expect

While we will make every effort to minimise disruption, some temporary impacts can be expected, such as:

- changed traffic conditions including reduced speed limits, some shoulder and lane closures and detours (as needed)
- increased noise, dust, and vibration
- flashing lights from trucks and large machinery during night works
- temporary footpath closure (as needed).

Motorists are encouraged to plan their journey and allow extra travel time to travel safely through this area. Traffic controllers will be available during working hours to assist road users as required.

Project Funding

This project is being delivered with support from the Australian Government's Black Spot

Program. The program was introduced as part of the Australian Government's commitment to reduce crashes in locations where crashes have occurred or are at high risk of happening.

Thank you for your patience and cooperation while we undertake these essential works.

Be prepared:

- Do not park vehicles on the road near the work area.
- Plan your journey, expect delays, and seek other routes.
- For safety, follow instructions from work crews and road signage and keep children, equipment and materials clear of the work zone.
