

Teviot Road and Cusack Lane Intersection upgrade, September 2024

Dear resident or business owner,

On behalf of Logan City Council, Doval Constructions wishes to advise of upcoming works in your area.

Where	South MacLean and Riverbend (see map overleaf)
When and what times	3 September 2024 to 5 December 2024 from 7:00 am to 6:00 pm, Monday to Saturday (excluding public holidays)
Please note	Works are subject to weather and construction conditions

What is happening?

Logan City Council is upgrading a section of road to enhance safety, reduce the risk of future incidents and accommodate anticipated traffic growth in the area.

Between 2014 and 2018, nine crashes were recorded at this location. However, it is believed that many more incidents were either unreported or minor in nature.

Over the past five years, most crashes involved right-turn movements.

What you can expect

While we will make every effort to minimise disruption, some temporary impacts can be expected, such as:

- changed traffic conditions including reduced speed limits, road or lane closures and detours (as needed)
- increased noise, dust, and vibration
- changes to street parking and restricted driveway access
- footpath closures and bus route detours (where changes will be signed).

Motorists are encouraged to plan their journey and allow extra travel time. Traffic controllers will assist during work hours as required.

Thank you for your patience and cooperation during these essential works.

Be prepared

- Do not park vehicles near the work area.
- Plan your journey, expect delays, and seek other routes.
- Please advise us if there are occupants with health conditions who may require access for emergency response or healthcare services.
- For safety, follow instructions of crews and signage and keep children, equipment and materials clear of the work zone.
