

# Park Ridge Road, Clarke Road/Lindenthal Road Intersection Intersection upgrade, September 2024

Dear resident or business owner,

On behalf of Logan City Council, Doval Constructions wishes to advise of upcoming works in your area.

<b>Where</b>	Park Ridge (see map overleaf)
<b>When and what times</b>	3 September 2024 to 3 December 2024 from 7:00 am to 6:00 pm, Monday to Saturday (excluding public holidays)
<b>Please note</b>	Works are subject to weather and construction conditions

## What is happening?

Logan City Council is upgrading a section of road to enhance safety, reduce the risk of future incidents and accommodate anticipated traffic growth in the area.

## What you can expect

While we will make every effort to minimise disruption, some temporary impacts can be expected, such as:

- changed traffic conditions including reduced speed limits, some shoulder and lane closures and detours (as needed)
- increased noise, dust, and vibration
- flashing lights from trucks and large machinery during night works
- temporary footpath closure (as needed).

Motorists are encouraged to plan their journey and allow extra travel time to travel safely through this area.

Traffic controllers will be available during working hours to assist road users as required.

**Thank you for your patience and cooperation during these essential works.**

## Be prepared

- Do not park vehicles on the road near the work area.
- Plan your journey, expect delays, and seek other routes.
- Please advise us if there are residents with health conditions that may require emergency response or healthcare services.
- For safety, follow instructions of work crews and road signage and keep children, equipment and materials clear of the work zone.

## More information
