

Underwood Road Bus Turnaround Temporary Road Closure

Dear resident,

Doval on behalf of Logan City Council wishes to advise upcoming temporary road closures in your area.

Where	Underwood Road, Priestdale (see map overleaf).
When	Start 28 October 2024 Finish 11 November 2024 We anticipate works to take up to 5 days to complete within this time period.
Please note	Works may be temporarily delayed due to weather or site conditions at any time.

What is happening?

Doval will temporarily close the end of Underwood Road (see map overleaf) during asphalt works.

What can I expect?

Some of the temporary changes include:

- night works
- traffic delays
- reduced speed limits
- at times – odours, noise, dust and vibration.

There will be no residential access impacts and pedestrian access to Daisy Hill Conservation Park will be maintained.

There will be some reduced parking at the end of Underwood Road.

We aim to minimise disruptions and appreciate your patience and cooperation to help us complete the works efficiently.

Be prepared

- Do not park vehicles on the road near the closure area.
- For safety, follow instructions and signage.
- Avoid entering the work zone.

Work zone map

28 October, 6 am - 6 pm:

The road into the temple will be required to be closed to allow for the pavement works to be undertaken.

3 November, 6 pm - 5 November, 5 am:

The road will be closed from the last driveway into Underwood Park (see map) for asphalt works, including profiling the existing surface, patch repairs, and installing new asphalt.

11 November, 6 am – 6 pm:

The road will be closed from the last driveway into Underwood Park (see map) for installation of two new speed ramps.
