

Trade Waste

Registered Transporters & Service Agents

Council monitors compliance with specified pre-treatment device service frequencies via an electronic waste tracking system. Only licensed liquid waste transporters and service agents that are registered to use the electronic waste tracking system can be engaged to perform the services.

The following provides a list of registered transporters and service agents. Please note, this list may be subject to change.

Liquid Waste Transporters

- Austrans
- B&Y Liquid Waste Removal
- Beaudesert Liquid Waste
- Cleanaway
- J.J. Richards & Sons
- Hando's Tanker Hire
- Lee's Septic Service
- Master Drain Blasters
- Power Pumping Domestic Services
- Pump It Environmental Services
- Remondis
- Serious
- Soak Tank Australia
- Suez
- Town & Country Pumping Service
- Tox Free
- Veolia
- Wet Waste

Service Agents

- Australian EPA Services
- Award Plumbing
- Environmental Separator Maintenance

Please ensure your transporter or service agent is on the above list and immediately advise Council's Trade Waste team on (07) 3412 3412 if they are not.
