

Water Meter Application

Connection OR Disconnection

1. Applicant details

Applicant:

C/-

Address:

Contact Person/Phone:

E-mail:

Note: By providing this email address you are giving Consent to Council to use this address to communicate with you in relation to your request.

2. Works Location – Site Details/Street address

Real Property Description Lot Plan No

Address

Suburb

3. Note

The applicant may be required to install a conduit via under-road boring methods if there is no conduit installed that can accommodate a new water service.

Where a second meter is required, the applicant is to provide a drawing showing location of additional meter. The fees related to installation of a second water meter does not include installation of a conduit.

Lot numbers and all boundary pegs need to be clearly visible on the property before the installation of water meters.

All applications for commercial water meter connections are to be submitted with a copy of the Council approved hydraulic plans where applicable. The fees related to commercial water meter installation does not include installation of a conduit.

Logan City Council will require clear access free of all obstructions including a separate and distinct designated workplace to access Logan City Council infrastructure and complete the requested works at the designated property.

150 Wembley Road Logan Central QLD 4114 | PO Box 3226 Logan City DC QLD 4114

Enquiries: 07 3412 3412 | council@logan.qld.gov.au | logan.qld.gov.au/water | ABN 21 627 796 435
